

The Safety Type Waterman's IDEAL Fountain Pen

Another style of the fountain pen you have used and carried for years.

FOR TRAVELERS, TOURISTS and LADIES SHOPPING BAGS.

"Safety" principally because it is entirely safe to be carried in a lady's handbag or trunk, or in any gentleman's pocket, in any position, as no ink can escape. Especially useful where the pen cannot be carried upright.

This Safety Pen has all the superior qualities and writing advantages of the universal Waterman's Ideal, in addition to being so made that the cap screws over the ink barrel and corks it. It is a simple, practical pen.
